Up-Coming Events 3

There is nothing like setting up a table at events to sell Shop for a Cause tickets and bring awareness to "Kay's Kamp"! This is the second year the KEWF has participated in this fundraiser. Macy's Department Store gives non-profit organizations 20% discount coupons to be sold for a profit of \$5.00. We advertised on our web site, in church bulletins, emails, letters and our personal favorite, a table set up at local, and not so local, events. We decided that we should offer a bit of incentive to purchase tickets, so . . . if you bought two discount coupons you were entered into a drawing to win a "Wii", (for those of you who are unfamiliar with a Wii, it is the latest interactive Nintendo Gaming Console) We are still counting, but so far we have sold 759 tickets, that's \$3795.00! Congratulations to the winner of the Wii - L. Maliwanag of Bear, DE. It was great to see some of Kaylyn's

teachers and school mates at "Back to School Night" at RLCA. We had a great time at the car show - ever try convincing to a bunch of men looking at old cars and motorcycles to buy a "Shopping Coupon"?

"Cruisers for Christ Car Show"

We had a long and busy day at the Brandywine Arts Festival in Wilmington and we had an opportunity to bring awareness of the Kamp to the lunch crowd at Chick-fil-A in Bear, from 11 to 1. The most memorable event was RevGen. This amazing 2 day Christian Concert hosted over 15 national bands and more than 30,000 people.

"Revelation Generation 2008"

We never expected the response we received. Everyone that stopped at the table wanted to hear more about Kay, her dream of

helping kids with cancer and her vision of Kay's Kamp. We even met several people who want to work at kamp and families of potential Kampers

"Rev Gen"

We gave away over 600 (each) of kamp calendars, pens and wristbands until we ran out. We'll bring more next year! Have you ever heard 30,000 people praising God at the same time? It was a small glimpse of heaven for sure!

We are truly blessed and thank God for the hundreds of people we were able to share Kay's story and her vision of Kay's Kamp with.

Summer is over and Kamp is less than a year away! We have been working very hard and we have now established an Advisory Board for Kay's Kamp. Each board member has an area of focus to help make Kay's Kamp a success. For anyone who would like to volunteer their time to help secure donations and plan Kamp, we still have openings on several of the committees. If you are interested, please let me know and we will find the right committee for you!! Coming Soon!!! Our official kamp website - www.kayskamp.org. Find out about up-coming events, staff and kamper applications along with general information about Kay's Kamp. We are very excited to report an amazing partnership with the Wilmington University Volleyball Team. Coach Kim Huggins approached us this fall to help support and raise awareness for Kay's Kamp.

They will be sponsoring "Dig for a Cure" all season long. Their proceeds will benefit Kay's Kamp and Susan G. Komen Fund. **The season's highlight will be "Kay's Kamp Night" on October 30, 2008.** All proceeds from the evening will go towards the start up of Kay's Kamp in August 2009. Game time is 7:00pm at Wilmington University's Main Campus, Route 13, New Castle, DE. So bring your family and friends for a night of fun and volleyball. Watch the web site for more information. As the New Year approaches, our kamper and staff applications are getting ready to hit the press. Please check our Kamp website in January for downloadable applications or contact: ann@kayskamp.org. We will be conducting staff interviews in the early spring, so get your applications in ASAP!!

Donations have been coming in at a fast pace, but we still need your help. I have included the "Kamp Wish List". If you would like to make a dream come true by sponsoring a child or item for the week of Kamp, please email me or send a check payable to: **KEWF-Kay's Kamp, 560 Peoples Plaza #111, Newark, DE 19702.** (Please note the "Wish List" item you would like to sponsor in the memo portion of your check) If you wish to donate items for Kamp, please email me directly. Thank you and God Bless.

Kay's Kamp is a member of the Children's Oncology Camping Association -International (COCA-int.)
www.coca-int.org

Please keep us in prayer as we attend the annual conference of COCA-Int. in Tempe, AZ on November 12-15. We will learn vital information concerning oncology camping and have the opportunity to meet other staff members from camps across the country. We have much to learn to make Kay's Kamp a safe, medically supervised place for kids battling cancer while making camp fun, exciting and a normal experience!

Go Kamp!!!

Many thanks to everyone who financially supported us ☺

Kay's Kamp Site ~ St. Joseph's Center for Community Service

Formerly St. Joseph's at Providence Creek

St. Joseph's property is located in Clayton, DE and as you arrive you can't help but be in awe of the massive stone archway constructed in 1896. There are 222 acres of land including open meadows, agricultural fields, forest, pond and a creek. The property contains 127 acres in New Castle County and 95 acres in Kent County. Providence

Creek divides the property along the county lines with wetlands bordering the creek and a 5 acre pond, which is habitat for an array of plant, fish and animal life.

The landscape includes walkways criss-crossing the 20 acre Drexel campus area. There are football and soccer fields, a baseball diamond, a playground and general playing fields. The Drexel Center

has a full size gym and spacious dining room.

Kay's Kamp is excited to use this beautiful property that Kaylyn saw two days before she went to heaven, to host Kay's Kamp, August 8-15, 2009. We feel confident that St. Joseph's property will provide Kay's Kamp a safe environment where kids can be kids at the First Oncology Camp in Delaware! Once again, God has provided!
